

System of Rice Intensification (SRI) Research: What's New and What's on the Horizon

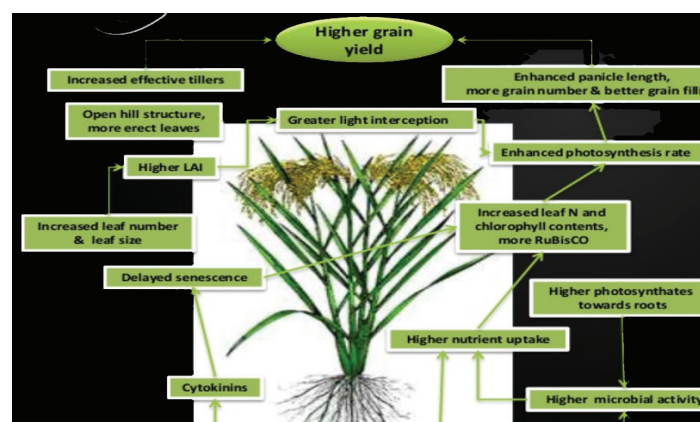

• a side event at the 5th International Rice Congress •

While SRI research has been increasing for the past two decades, a majority of the 1,000+ journal articles now in the scientific literature have been published during the last several years. This session includes an overview of SRI research carried out in over 40 countries. **For more information contact: srrice@cornell.edu**

Tuesday, Oct. 16, 2018

14:30 -16:00

**Orchid Room 4202
Sands Expo and Convention
Centre, SINGAPORE**

PANELS:

Plant and Soil Biology

Amod Thakur

Hoang Van Phu

Febri Doni

Water, GHG/Climate Effects

Khidhir Abbas Hameed

Budi Setiawan

Mahender Kumar

SHORT PRESENTATIONS:

Mechanized Transplanting

Rajendra Uprety

Weeder Designs for Women

Steve Leinau

Farmer Engagement in Research

Abha Mishra

The SRI Research Network

Lucy Fisher
